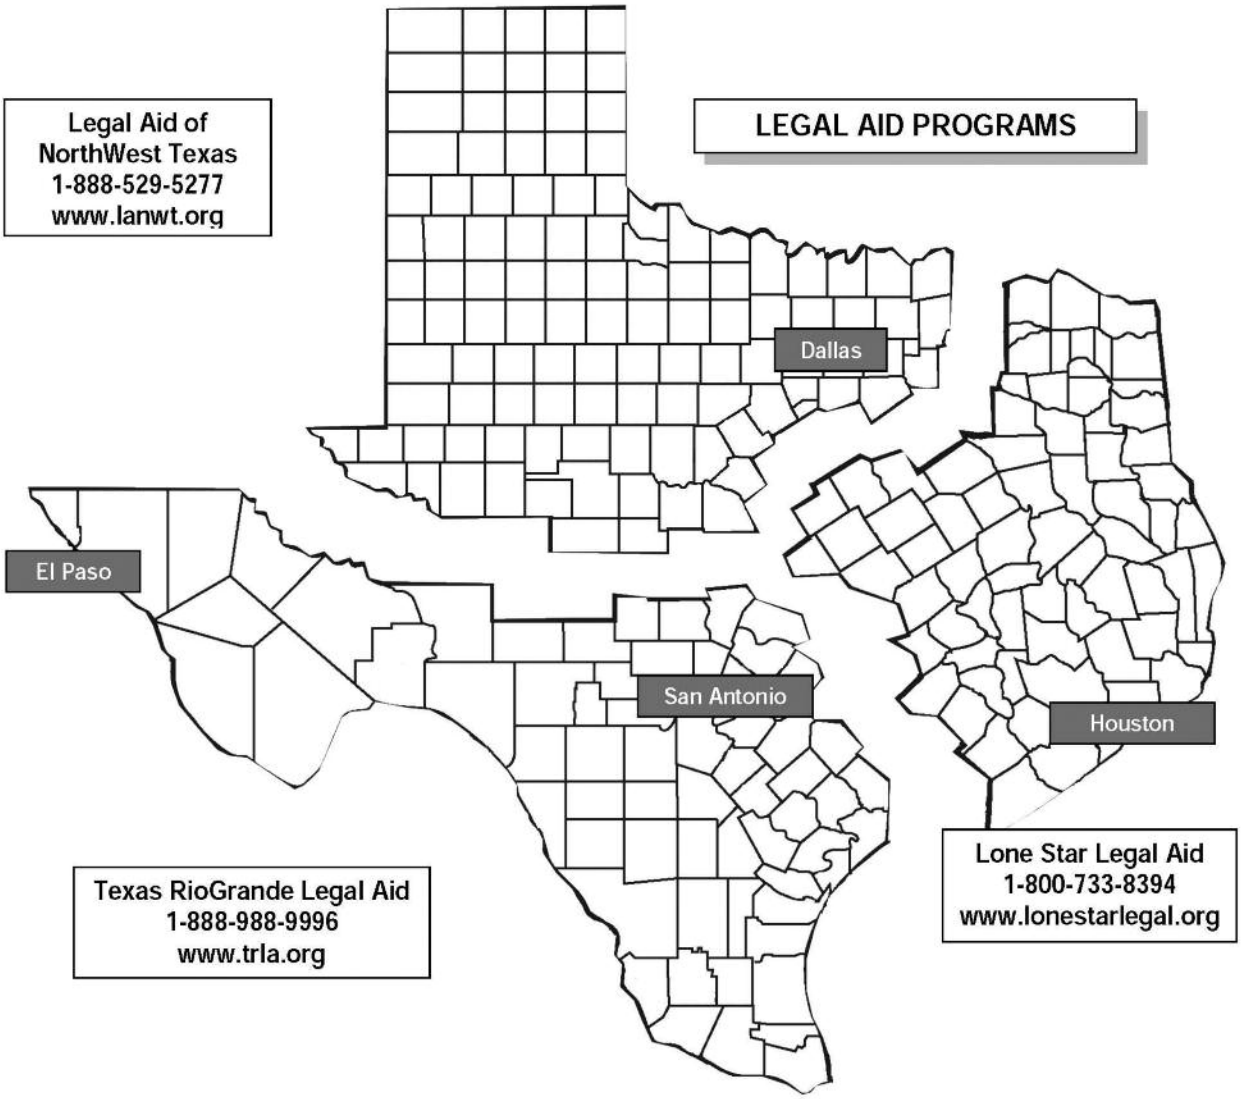
LEGAL AID PROGRAMS

Introduction to Civil Legal Aid

The federal government, through the Legal Services Corporation (LSC), funds three legal services programs that serve every county in Texas: Legal Aid of NorthWest Texas, Lone Star Legal Aid and Texas RioGrande Legal Aid. The three LSC-funded programs provide a wide range of civil legal services. Nearly 40% of the cases handled are family law cases. Most other cases are in the areas of housing, consumer law, employment, public benefits, or issues affecting the elderly. Due to federal restrictions, these LSC-funded programs cannot handle criminal cases or immigration cases, except for representation of immigrants who have been victims of violent crime.



Funding for legal services programs is extremely limited. Legal aid programs must turn away many with serious legal needs due to limited resources. LSCfunded programs, and most other programs included in this directory, must refuse service to any applicant whose income is above specific federal poverty guidelines.

In most situations, the family income must fall below 125% of the federal poverty income guidelines. But in some situations, the family income can be up to 200% of the poverty guidelines. So even if your household exceeds the 125% guidelines, you should still apply.

2014 Poverty Guidelines

FAMILY SIZE	100%	125%	175%	187½	200%
1	11,670	14,588	20,423	21,881	23,340
2	15,730	19,663	27,528	29,494	31,460
3	19,790	24,738	34,633	37,106	39,580
4	23,850	29,813	41,738	44,719	47,700
5	27,910	34,888	48,843	52,331	55,820
6	31,970	39,963	55,948	59,944	63,940
7	36,030	45,038	63,053	67,556	72,060
8	40,090	50,113	70,158	75,169	80,180
Each additional member add	4,060	5,075	7,105	7,613	8,120
Calculations based on data from the U.S. Department of Health and Human Services/Federal Register (See **https://www.federalregister.gov/**)					

The programs listed include LSC-funded legal services programs, followed by programs that either serve a specific client group (such as people with disabilities, children or older individuals) or limit service to a specific type of legal issue (such as civil rights, consumer, housing, or immigration). These programs may have income restrictions that differ from LSC-funded programs. LSC-funded programs are listed first under each county because they provide the most extensive civil legal service.

LEGAL AND OTHER RESOURCES RELATING TO CRIMINAL MATTERS

If a public defender office is available in a particular county (see below), defendants should contact the public defender office. In criminal matters that could result in incarceration, indigent defendants should contact a magistrate, jailer, court administrator, or judge to request a court appointed lawyer. In matters involving a Class C misdemeanor (where no possible jail time is part of the sentence), there is no right to a court appointed lawyer.

JUVENILE PUBLIC DEFENDER

If a juvenile (ages 10-16) is charged with a crime, it may be considered a civil matter and legal aid may be able to help (see first program listed for the county in which the juvenile is being charged). INTRODUCTION TO PRO SE (SELF-HELP) RESOURCES

Major problems impacting access to the justice system in Texas include limited resources, funding restrictions, proximity to legal services in rural areas, and a rapidly increasing poverty population. The programs listed in this directory receive many requests for legal assistance, more than any program can accommodate. As a result, these programs can only assist a fraction of the requests received. Consequently, in some situations, individuals seeking legal assistance may have no choice other than to represent themselves in a legal matter.
