Notes

[1] *Attorney population figures used to calculate statistics in the section titled Population Figures are from the State Bar's membership records as of December 31, 1995 and December 31, 2002. General population figures used to calculate 1995 statistics are estimates provided by the Texas State Data Center: Population Estimates and Projections Program, as of January 1, 1996. General population figures for 2001 are derived from the U.S. Census Bureau, as of July 1, 2001.*

[2] *Throughout the report, the statistical information on the In-State Bar membership includes Nueces County. All data represent active Bar members only. Some figures are estimates, as not all information is known for every active attorney.*

[3] *Race/ethnicity was known for 94 percent of the active Bar membership in 1995 and for 95 percent of the active Bar membership in December 2002.*

[4] *Based on year first licensed in any jurisdiction.*

[5] *Primary occupation and law firm size figures are estimates as these demographics are unknown for some attorneys.*

[6] *Percent of all attorneys who are members of any section and who hold membership in the listed section.*

[7] *Percent of all board certified attorneys who are certified in the listed area. Note that these figures do not include attorneys specialized in Juvenile Law as this data was not available at the time of analysis.*

---- Indicates that the sections were not in existence, and primary occupation was categorized differently at that time.
