**HVLP**

HOUSTON VOLUNTEER LAWYERS PROGRAM

Are you an attorney with a background or interest in guardianship law? Are you interested in serving as a mentor for an Emeritus Attorney establishing guardianship for a low-income petitioner in an uncontested case?

The Emeritus Guardianship Project is a pilot program with the dual goal of recruiting volunteer attorneys in Harris County, and assisting low-income families and other petitioners in establishing guardianships in uncontested cases. The project specifically seeks attorneys with a background or interest in guardianship law. The hope is to leverage the tremendous talent and experience of our membership to meet the special needs of this underserved population. Under this program, Mentoring Attorneys will be volunteers of the Houston Bar Association's Houston Volunteer Lawyers Program. Mentoring Attorneys will have access to a free CLE on guardianship law in October 2009.
