

**Congratulations to the following 2007-08 Texas Bar Foundation grant recipients:**

**TYLA: Justice 101: The Client's Guide to Litigation;** Justice 101 will be a video tool attorneys will be able to use to educate the client about litigation and the legal system, including the roles of the judge, the attorneys, the clients, and the jury.

**Houston YLA: Barbara Jordan Project;** HYL A requested funds to host its Barbara Jordan Project. Event will enrich the oratorical, written, and organizational skills of middle school students by providing a forum centered on promoting critical thinking, positive self-expression, and self-confidence (includes speech and essay competitions).

**Abilene Bar Association: Abilene's Leap into the Technology Age;** The grant is to purchase a SMART Board, two projectors, and screens for use in courtrooms and to show prospective jurors TYLA's American Juror. One projector and screen would be available to rent for Association members to use in court, and the other would be for the District Clerk to use for jurors.

**Hidalgo County Bar Foundation: Community Justice Program;** The grant is to purchase two portable Dell computer stations for volunteer attorneys working at the Community Justice Clinics, and for research and document preparation at the Foundation offices.

**Smith County Bar Association: A History of the 75 Years of the Smith County Bar Association;** The grant will fund a printed publication to document the 75-year history of the Smith County Bar, including courthouses, judges, attorneys, significant local cases, legal community outreach programs, and the historical significance of Smith County.
