The purpose of the State Bar of Texas is to engage in those activities enumerated at § 81.012 of the Texas Bar Act. The expenditure of funds by the State Bar of Texas is limited as set forth at § 81.034 of the Texas Bar Act and in Keller v. State Bar of California, 496 U.S. 1 (1990), and McDonald v. Longley, 4 F.4th 229 (5th Cir. 2021). If any member has a reasonable belief that any actual or proposed expenditure is not within such purposes of, or limitations on, the State Bar, then such member may object thereto and seek a refund of a pro rata portion of his or her dues expended, plus interest, by filing a written objection with the Executive Director. The objection must be submitted no later than 60 calendar days after the annual audit of the State Bar for the fiscal year in which the transaction objected to occurred and published on the State Bar website. A copy of the State Bar Fees Objection Form may be obtained by written or in person request to the Executive Director or from the State Bar website at www.texasbar.com/objections.

Upon receipt of a member’s objection, the Executive Director shall within 60 calendar days review such objection together with the allocation of dues monies spent on the challenged activity and, in consultation with the President, shall have the discretion to resolve the objection, including refunding a pro rata portion of the member’s dues, plus interest. If the objecting member contests the Executive Director’s determination of the member’s claim, the objecting member may, within 30 calendar days of notice of the Executive Director’s determination, invoke the objection procedures set forth in Section 3.14 of the State Bar of Texas Board of Directors Policy Manual, which include an opportunity for the objection to be decided by an impartial decisionmaker. Any refund of a pro rata share of the member’s dues shall not be construed as an admission by the State Bar that the challenged activity was not or would not have been within the purposes of or limitations on the State Bar.
