

Pedro “Pete” Serrano Leadership Award

In April 2011, the State Bar of Texas Board of Directors voted to honor the late Pedro “Pete” Serrano by re-naming the LeadershipSBOT Presidents’ Award as the Pedro “Pete” Serrano Leadership Award. It is presented to the member of each LeadershipSBOT class who best exemplifies the qualities of leadership, integrity, and inclusiveness. Pete was a member of the inaugural LeadershipSBOT class. While his life was too short, Pete will be remembered for his dedication to the profession he loved. Those who receive this award and their ongoing efforts to serve the public and the profession will continue to honor the memory of Pedro “Pete” Serrano, his family, and his friends.

Recipients
