for establishing the Texas Lawyers' Assistance Program that he pioneered both at the State Bar of Texas and at the American Bar Association.

(A) The Crowley Award is established to recognize the meritorious service by a current Director. The recipient should exemplify selfless dedication of time and talent to the legal profession particularly in a specific project, activity or event including but not limited to the Commission, the Texas Bar Foundation, and related organizations. Such meritorious service should benefit more than just a specific segment of the legal community or of the public. The Crowley Award is made in the tradition reflected in Subsection 1.21.03 above, but because of its special importance, it is being established pursuant to the inherent authority of the Board, and is not intended to replace or supersede the Outstanding Third Year Director Award, which is traditionally presented at the annual meeting of the Board.

If the immediate past Chair or former Chair is unavailable, the Chair-elect shall serve in their stead. The recipient of the award shall have exemplified selfless dedication of time and talent to the legal profession, particularly in a specific project, activity or event, including, but not limited to the Commission, the Texas Bar Foundation, and related organizations. Such meritorious service should benefit more than just a specific segment of the legal community or public, and should be so extraordinary that the award should not be given any year in the absence of such service. The Board shall pay for the design and inscription of a suitable award to be given to each recipient, and of a plaque containing the names of the award recipients to be displayed in a prominent place at the Texas Law Center.

1.21.06 Legislative Award. 1.22.02 Board Action. Upon consideration by the Board, the Board has the option of approving such change as written and presented to the Board, approving such change as it may be modified by the Board during discussion, or

- (3) appropriate and adequate risk management programs to protect the State Bar (e.g., adequate insurance);
- (4) contingent liabilities known, disclosed and anticipated

but not yet accrued;

(5) strategic direction and plan for the State Bar is in place and being utilized to drive the State Bar;

(6) stability of capital expenditures and programs;

(7) last year's budget versus last year's actual contained no material unexplained variances;

(8) prior reserves have been adequate to absorb unexpected and unplanned expenditures variances; and

(9) growth plan, if relevant, is in place for the State Bar and is incorporated into current budget and strategy.

(B) *Reserves Designations.* Some specific areas for which reserves should be maintained, which must be considered each year during the budgeting and financial planning process, when establishing reserves for the State Bar are:

(1) *Operating Expenditures.* The need for this designation is to provide a level of security to insure that the resources will be available to meet immediate operating needs. The Board shall consider all factors enumerated herein and other pertinent and relevant factors, and consider designating two to four months of budgeted expenditures for this particular designation.

(2) *Litigation Expenditures.* The purpose of this designation is to set-aside enough funds to cover any contingent liabilities for litigation expenditures that are known, but have not yet been accrued, and are expected to require funding within twelve to twenty-four months from the date of budgeting and planning. The amount the Board will consider will depend on the assessments that are made by State Bar legal counsel regarding the likelihood and the amount of any potential liability for that twelve to twenty-four month period.

(3) *Capital Assets Replacement / Construction.* A designation for large capital asset replacement or construction projects planned for the next one to three years will be reviewed and will be considered by the Board during the budget and financial planning process each year. Capital reserve items are capital assets that cost more than \$5,000, whose implementation or purchase extends for more than one fiscal year and the purchase of which is planned for a future year. When designating funds for this purpose, a review of existing funds in the Texas Law Center Fund, the Technology Fund or any other special revenue fund shall be considered, along with the amount that will be required to complete the capital asset project(s).

(4) *New Programs and/or Research and Development.* A designation for anticipated new programs or for research and development for programs that are being considered

will be reviewed, analyzed and measured during the annual budget and planning process.

3.03 Audits

3.03.01 Auditor. The State Bar's books and records shall be audited annually by outside auditors chosen by the Board. The selection of the auditor shall be the subject of a request for proposal procedure every five years. At any time, the Board may request that a request for proposal be issued for auditing services.

3.03.02 Costs and Expenses of Audit. The cost and expenses of the annual audit of the books and records of the State Bar shall be appropriated by the Board as a specific item in the annual budget.

3.04 Depositories, Withdrawals and Transfers

3.04.01 Depositories of State Bar Funds. The State Bar shall maintain its funds in a depository or depositories located in Austin, Texas. Every 3 years, the State Bar's bank depository will be reviewed by the Audit and Finance Committee for reasonableness of fees and level of service. Following the 3-year review, the Audit and Finance Committee will make a recommendation to the Board that the then current bank depository be allowed to continue for another 3 years, or that another bank depository be selected through an RFP process. In developing the criteria for selection of any bank depository, the Audit and Finance Committee shall give strong consideration to a potential bank depository's participation in the Texas IOLTA Prime Partners Program sponsored by the Texas Access to Justice Foundation. At any time, the Board may request a review by the Audit and Finance Committee of the then current bank depository.

3.04.02 Management of State Bar Funds. The State Bar, with the approval of the Board, may enter into agreements and contracts deemed appropriate to facilitate the management of its funds so that income will be earned or appreciation realized on those funds pending expenditure.

3.04.03 Withdrawal and Disbursement of State Bar Funds. The Board shall designate the employees of the State Bar who are authorized to sign checks for the withdrawal and disbursement of funds. The Chief Financial Officer, or his or her designated representative, however, shall review each check before its distribution even though it bears the Executive Director's signature.

3.04.04 Securities. The Executive Director or the Chief Financial Officer of the State Bar are authorized to transfer, endorse, sell, assign, set over, and deliver any and all shares of stock, bonds, debentures, notes of indebtedness,

or other securities now or hereafter standing in the name of or owned by the State Bar.

3.05 Investments

3.05.01 Investment Standard. The State Bar shall invest its funds in a manner in which persons of prudence, discretion and intelligence exercise in the management of their own affairs, not for speculation, but to, in order of priority, preserve and safeguard the principal amount invested, provide liquidity to meet operating cash flow needs, and earn the highest yield possible considering the required safeguards.

3.05.02 Investment Manager. The Board, through its Audit and Finance Committee, may contract with an investment manager for professional investment services. Pursuant to the Public Funds Investment Act, §2256.003, a contract for professional investment services may not be for a term in excess of 2 years. A renewal or extension of the contract for professional investment services must be made by order, ordinance or resolution of the Board. The selection of the investment manager shall be the subject of a request for proposal procedure every five years. At any time the Board may request that a request for proposal be issued for investment management services.

3.05.03 Application. This investment policy applies to the financial assets of all State Bar funds and funds of Bar-related groups, to include those of the General Fund, Client Security Fund, all special revenue funds, enterprise funds, sections and divisions.

3.05.04 Committee Review. The Board's Audit and Finance Committee shall review the investment policy annually. Recommendations for modifications to the policy may be made by the Executive Director, the Board's Audit and Finance Committee, an Officer, or Board Member. This policy and any amendments to it must be authorized by Board action.

3.05.05 Approved Investments. The Board authorizes the Executive Director and/or investment manager (as contracted by the Audit and Finance Committee of the Board) to invest funds of the State Bar that are available for investment in any account, time or demand, and the following "fixed income" securities:

(A) U. S. Treasury Securities. U.S. Treasury securities are direct obligations of the United States Government. U.S. Government obligations are the highest quality and are the most liquid and marketable of investment securities. Investments in this category will include Treasury bills, Treasury notes, and Treasury bonds. U.S. Treasury bills are sold on a discount basis and have initial maturities of three months, six months, and one year. U.S. Treasury notes and Treasury bonds are coupon-bearing instruments with initial maturities from two to ten years for notes and ten

to thirty years for bonds.

The maximum average maturity of the U. S. Treasury securities portfolio will not exceed five years.

(B) Federal Agencies. After U. S. Treasury securities, Federal agency securities (government sponsored enterprises) are generally regarded as the next highest quality investment suitable for the portfolio. Agencies generally offer a rate of return higher than direct U.S. Treasury securities. The spread difference in yield will be affected by the general level of interest rates, markets, and economic conditions at any given time. Consideration should be given to the spread relationship existing when portfolio investment decisions are made.

Securities included in this category are debt issuance by the Federal Farm Credit System (Farm Credits), Federal Home Loan Bank (FHLB), the Federal National Mortgage Association (FNMA), the Student Loan Marketing Association (SLMA), the Federal Home Loan Mortgage Corporation (FHLMC or “Freddie Mac”), the Government National Mortgage Association (GNMA or “Ginnie Mae”), and Small Business Administration (SBA).

The maximum average maturity of the U.S. agency section of the portfolio will not exceed five years.

(C) Collateralized Deposits: The State Bar will monitor all deposits that are held with the State Bar’s custodian bank(s) to ensure that all deposits are fully insured or collateralized, as required by the Public Funds Collateral Act, §2257, of the Texas Government Code (“PFCA”). Pursuant to §2257, the State Bar will require the custodian bank(s) to pledge securities that are authorized under §2256.009 of the Public Funds Investment Act (“PFIA”). In accord with the PFCA, deposits that exceed the FDIC insurance limit will be collateralized by the deposit institution holding such deposits. Since, generally, all deposits are fully invested in securities, the collateralization of such invested deposits will not be necessary when such deposits are fully and continuously invested in securities. If there are any funds awaiting investment, such funds should be fully collateralized at all times pursuant to the PFCA. The custodian bank(s) will be notified regarding the collateralization and investment policy requirements. The State Bar’s expectation of total and full compliance with the PFIA and the PFCA is of paramount importance and such expectation will be clearly communicated to custodian bank(s). Financial institutions serving as depositories will be required to sign an Agreement with the State Bar and its safekeeping agent for the collateral, perfecting the State Bar’s rights to the collateral in case of default, bankruptcy or closure.

(D) Money Market Investments. Money market investments are short-term investments that normally have a maturity of one year or less and are used for liquidity and income

maximization purposes. Acceptable investments that may appear in this category are:

(1) Domestic CDs (time deposits). Certificates of deposit issued by depository institutions, wherever located that are:

(a) guaranteed or insured by the Federal Deposit Insurance Corporation, or its successor, or the National Credit Union Share Insurance Fund, or its successor; or

(b) secured by obligations that are described in Subsections 3.05.05(A) and (B) above, with a market value of not less than the principal amount of the certificates plus accrued interest. Pledged collateral securities must be held in a third-party custody account authorized by the State Bar.

(2) Banker’s Acceptances. Bankers acceptances must have a stated maturity of 270 days or less from the date of its issuance that will be liquidated in full at its maturity, is eligible for collateral for borrowing from a Federal Reserve Bank and is accepted by a bank organized and existing under the laws of the United States and if the short-term obligations of the bank, or of the bank holding company of which the bank is the largest subsidiary, are rated not less than A-1 or P-1 or an equivalent rating by at least one nationally recognized credit rating agency.

(3) Repurchase Agreements (Repos) Repurchase Agreements must be fully collateralized and have a defined termination date. They must be placed with a primary government securities dealer, as defined by the Federal Reserve, or a bank doing business in Texas. Repurchase agreements must be collateralized by U.S. Treasury or Agency securities and collateral must be held in a third-party custody account authorized by the State Bar.

(4) Money Market Investments. A no load money market mutual fund is an approved investment under this policy if the investment meets one of the following two criteria:

(a) It is registered with and regulated by the Securities and Exchange Commission; it provides the State Bar with a prospectus and other information required by the Securities Exchange Act of 1934 (15 U.S.C. Section 78a, et seq.) or the Investment Company Act of 1940 (15 U.S.C. Section 80a-1, et seq.); and it complies with federal Securities and Exchange Commission Rules 2a-7 (17 C.F.R. Section 270.2a-7) promulgated under the Investment Company Act of 1940 (15 U.S.C. Section 80a-1, et seq.); or

(1) U.S. Treasury and Federal Agency Securities. Up to 100% of the IP.

(2) *Mortgage-Backed Securities.* Guaranteed by U.S. Government Sponsored Agencies up to 30% of the IP.

(3) *Certificates of Deposit.* Up to 30% of the IP, but no more than 5% with any single bank.

(4) *Banker's Acceptance.* Up to 15% of the IP, but no more than 5% with any single issuer.

(5) *Repurchase Agreements.* Up to 30% of the IP, but no more than 10% with any single issuer.

(6) *Money Market Mutual Funds.* Up to 100% of the IP.

(7) *Commercial Paper.* Up to 30% of the IP, but no more than 5% with any single issuer.

Investments in collateralized mortgage obligations are strictly prohibited. These securities are also disallowed for collateral positions. The State Bar will not be required to liquidate investments that were authorized investments at the time of purchase.

The investment manager will monitor the various investment alternatives and select the securities that best meet the State Bar's overall, long-term goals. Concentrations of each type of security will not exceed the maximum limits outlined above, but specific concentrations of investment types will be dictated by the following considerations: quality, liquidity, relative sector yield spreads vs. historical spreads, maturity concentrations, time horizon.

Investments will only be made with those firms and institutions which have been approved by the Board of Directors. The investment manager will be responsible for analyzing and evaluating the broker/dealer firms and for reporting their list of qualified firms to the Committee for

approval.

It is the policy of the State Bar to require competitive bidding for all individual security purchases except for those transactions with money market mutual funds which are deemed to be made at prevailing market rates and for government securities purchased at issued through a primary dealer at auction price. At least three bidders must be contacted in all transactions involving individual securities. Competitive bidding for security swaps is also required. Bids may be solicited in any manner provided by law and shall be documented.

(F) *Collateralization.* In addition to the collateral requirements for State Bar deposits, as discussed in Subsection 3.05.05(C), Certificates of Deposit (CD) and Repurchase Agreements (Repo) must also be collateralized in accordance with State Law. Eligible securities for collateralization of CDs and Repo shall be U.S. Treasury and Agency securities. For CDs, the market value of the pledged collateral securities must at all times be equal to or greater than the par value of the CD plus accrued interest, less the amount insured by the FDIC. For Repos, the market value of the pledged collateral securities shall be a percentage of the par value of the agreement plus accrued interest and shall be maintained at the following levels:

Collateral Maturity	U.S. Treasury Securities	U.S Government Securities
1 year or less	101%	101%
1 to 5 years	102%	102%
Over 5 years	103%	104%

(G) *Reporting.* The Investment Manager for the State Bar of Texas will provide a detailed accounting and appraisal report detailing, among other things, investments' descriptions, coupons, maturities, CUSIP identification numbers, purchase cost, amortized cost and market values on a monthly basis. Market valuations are based on current information and appraisals taken from third party market makers, whom the Manager believes provides reliable information and valuations.

The investment manager will prepare a report for the State Bar quarterly. The report will include a listing of securities, a current appraisal reflecting gains or losses, a list of securities purchased or sold during the period, and an analysis of the IP's performance for the period and since inception.

Representatives of the investment manager will meet with the State Bar semi-annually or as needed to discuss investment strategy, actions taken, and the general economic environment within which the State Bar's investments will be managed.

Not less than quarterly the Investment Officers will submit to the Audit and Finance Committee and the Board a written report of the status of the current investment portfolio. The report must meet the requirements of Chapter 2256 of the Government Code (Public Funds Investment Act) and:

- (1) describe in detail the investment position of the State Bar on the date of the report;
- (2) be prepared jointly by all investment officers of the State Bar;
- (3) contain a summary statement, prepared in compliance with generally accepted accounting principles of each pooled fund group that states the beginning market value for the reporting period, additions and changes to the market value during the period, ending market value for the period and fully accrued interest for the reporting period.
- (4) state the book value and market value of each separately invested asset at the beginning and end of the reporting period by the type of asset and fund type invested;

- (7) state the compliance of the investment portfolio as it relates to the investment strategy and relevant provisions of this Policy and the Public Funds Investment Act.

An independent auditor shall formally review the quarterly reports prepared under this Subsection at least annually, and that auditor shall report the results of the review to the Board.

(H) Exceptions to Policy. Exceptions to the investment policy must have prior approval by a majority of the Board at a called, regularly scheduled, or telephone call meeting. Changes to the investment policy will be made, as needed, after action by the Board.

(I) Methods to Monitor Market Price. The investment manager shall provide market valuations of all State Bar investments using Bloomberg, or another third-party market valuation service.

The Executive Director or investment manager shall report to the Audit and Finance Committee at least quarterly on the market prices and the performance of the investments made by, or on behalf of, the State Bar.

(J) Monitoring Rating Changes. Pursuant to the PFIA, Section 2256.021, an investment that requires a minimum

rating under State law does not qualify as an authorized investment during the period the investment does not have the minimum rating. The State Bar's Investment Manager will be responsible for monitoring ratings of all State Bar investments placed with the Investment Manager. The Investment Manager will maintain a process whereby the State Bar's Investment Officer will be promptly notified in the event of a downgrade of an investment below State law or State Bar's Investment Policy limits. The Investment Manager will provide a recommendation on how best to resolve the issue with the intent to take all prudent measures that are consistent with State Bar's Investment Policy to liquidate an investment that does not have the minimum rating.

3.05.06 Delegation of Authority

(A) Investment Officer. The State Bar shall designate the Finance Division Director as investment officer responsible for the investment of its funds, under the direction and authority of the Executive Director. This includes investments for the State Bar General Fund, Client Security Fund and the special revenue funds.

(B) Procedures. The State Bar's investment officer shall establish written procedures for the operation of the investment program consistent with this Investment Policy. Such procedures shall include explicit delegation of authority to persons responsible for investment transactions. No person may engage in an investment transaction except as provided under the terms of this Policy and the written procedures. Authority granted to a person to invest the State Bar's funds is effective until rescinded or until termination of the person's employment by the State Bar. The investment officers shall be responsible for all transactions undertaken and shall establish a system of controls, to be reviewed by the State Bar's independent auditor, to regulate the activities of subordinate officials. The investment officers shall possess sufficient working knowledge of economics and securities markets, as well as the supervisory experience and judgment necessary to carry out the responsibilities outlined in this Policy.

(C) Ethics and Conflicts of Interest.

(1) Officers and employees involved in the investment process shall refrain from personal business activity that could conflict with proper execution of the investment program, or which could impair their ability to make impartial investment decisions.

(2) Officers and employees involved in the investment process shall sign annual statements agreeing to abide by this section of the Investment Policy and affirming no known conflicts of interest.

(4) An officer or employee involved in the investment process has a personal business relationship with a business organization if:

(a) the Officer or employee owns 10 percent or more of the voting stock of shares of the business organization or owns \$5,000 or more of the fair market value of the business organization;

(b) funds received by the officer or employee from the business organization exceed 10 percent of his/her gross income for the previous year; or

The training provider must be an independent source approved the Board of Directors.

3.05.07 Investment Objectives. All funds shall be managed and invested with three primary objectives, listed in order of their priority – safety and liquidity, diversification and yield:

(A) *Safety of Principal.* Safety of principal is the foremost objective of the State Bar. Investments of the State Bar shall be undertaken in a manner that seeks to insure the preservation of capital in the overall portfolio. To obtain this goal, diversification is required in the portfolio's composition. The suitability of each investment decision will be made on the basis of these objectives.

(B) *Diversification.* Diversification of the portfolio will include diversification by maturity and market sector when appropriate and will include the use of a number of broker/dealers for diversification and market coverage. Competitive bidding will be used on each sale and

purchase.

(C) *Yield.* The State Bar's investment portfolio shall be designed with the objective of attaining a market rate of return throughout budgetary and economic cycles, taking into account the State Bar's risk constraints and the cash flow requirements of the portfolio. "Market rate of return" may be defined as the average yield of the current three-month U.S. Treasury Bill or such other index that most closely matches the average maturity of the portfolio.

The individual strategy of each of the State Bar's three types of funds are as follows. To the extent possible, the State Bar will match its investments with anticipated cash flow requirements while minimizing market risk. The State Bar will not directly invest funds needed for current operations in securities maturing more than twenty-four months or posing potential credit risk, such as corporate bonds. Reserve funds may be invested in securities authorized by this policy with maturities of such investments to coincide as nearly as practical with the expected use of the funds.

The State Bar's General Fund's and Client Security Fund's assets are not necessary for day-to-day operations. The General Fund and Client Security Fund portfolios may be invested in longer-term securities, but each portfolio will not exceed a five-year average maturity. While investments may be repositioned when prudent, the primary objective of both funds is capital preservation and stable, real (after inflation) increased income. The operation's funds are invested in very short-term investments while the General Fund and Client Security Fund are invested in medium term maturities providing good diversification and income stability over longer time periods for the State Bar's total investments.

The State Bar also directs the investment manager to not record any material book value losses on any security transaction without prior consent of the Executive Director and the Audit and Finance Committee.

3.05.08 Accounting Department. Interest income received by the State Bar from investments will be received by the Accounting Department for deposit to the State Bar's General Fund, Client Security Fund or special revenue funds accounts. The Accounting Department will be responsible for maintaining all investment and interest payment records for the purpose of reconciliation and preparation of financial statements.

3.05.09 Settlement Method. Settlement of all transactions made by or on behalf of the State Bar, except for investment in pool funds and mutual funds, shall be on a delivery versus pay method rather than delivery versus confirmation. The State Bar will contract with a bank or banks for the safekeeping of securities either owned by the State Bar as a part of its investment portfolio or held as

collateral to secure certificates of deposits or repurchase agreements. These accounts shall be in the name of the State Bar.

3.05.10 Public Funds Investment Act. All actions taken in all of the State Bar's investment portfolios will be in compliance with the Public Funds Investment Act.

3.05.11 Annual Compliance Audit. In conjunction with the annual financial audit, a compliance audit shall be performed which includes an audit of management controls on investments and adherence to the State Bar's established policy.

3.05.12 Certification. A copy of this Investment Policy shall be provided to the investment manager under contract and the firm shall agree under the terms of the contract to transact all investment business according to the requirements and limitations of the Investment Policy.

3.06 Acquisition of Goods and/or Services

3.06.01 General. The Board shall adopt guidelines and procedures for purchasing that are consistent with the guidelines and procedures promulgated for other Texas state agencies. Purchases are subject to the ultimate review of the Supreme Court. The State Bar shall maintain records on purchases and shall make those reports available for review by the state auditor.

3.06.02 Capital Items.

(A) A capital expenditure budget shall be presented to the Board along with the annual budget.

(B) The approval of the capital expenditure budget will not constitute authority to purchase. All purchases must be approved by the Executive Director or authorized designee.

(C) A capital item is an item of furniture, fixtures or equipment with a cost of \$5000 or more.

(D) Purchases of capital items costing \$5000 or more not included in the capital expenditure budget, must be approved by the Executive Committee. Items under \$5000 may be approved by the Executive Director or authorized designee.

(E) The inventory of all capital items as defined in 3.06.02(C) shall be maintained by the State Bar accounting department. The inventory of furniture, fixtures, and equipment with a cost of less than \$5000 shall be maintained by the department responsible for the items.

(F) The purchase of all capital items shall be made under existing Comptroller of Public Accounts Procurement contracts, except when, in the opinion of the Executive Director or authorized designee, it is not advantageous to

the Bar to do so because of price, quantity, or quality considerations.

3.06.03 Printing and Mailing. Purchases for printing and mailing shall be made under existing contracts between the Comptroller of Public Accounts Procurement Department and its vendors when the items desired meet the price, quantity, quality, and delivery date requirements. If these requirements cannot be met by purchasing under the Comptroller of Public Accounts Procurement contract, then purchases may be made through other sources, after considering three competitive bids. Any exception to the three bid rule must be approved by the Executive Director or authorized designee.

3.06.04 Building Maintenance. All contracts for ground maintenance, building maintenance, elevator maintenance, janitorial services, water treatment chemicals, and window washing shall be awarded on a bid basis.

3.06.05 Office Supplies. All items of office supplies that are on state contracts and that fit the needs of the State Bar in quantity and quality shall be purchased under the Comptroller of Public Accounts Procurement contracts. Any exception must be approved by the Executive Director or his or her designee.

3.06.06 Miscellaneous, Special, and Nonrecurring Items. Certain items to be purchased may be available only from one or two suppliers, so that three competitive bids cannot be obtained. Also, certain items such as plaques, flowers, pictures, and so forth, may be available only from a single source. These items shall always be purchased on a "lowest and best" basis.

3.06.07 Petty Cash Disbursals. Purchases from petty cash may be made when necessary or expeditious but shall not exceed \$50 per item. Every effort should be made by all departments to discourage use of the petty cash fund, and expenditures from it shall be limited.

3.06.08 Purchase Order System. A purchase order shall be issued for any item costing more than \$500. The order shall indicate the category or classification of the expenditure and the department to be charged. All purchase orders must be approved by the Executive Director or authorized designee.

3.06.09 Implementation. The Executive Director shall be charged with the responsibility of supervising and implementing these rules and procedures.

Committee members shall be notified of the contents of this paragraph.

(B) Proceedings on applications need not be conducted according to technical rules relating to evidence and witnesses. Any relevant evidence shall be admitted if it is the sort of evidence on which responsible persons are accustomed to rely in the conduct of serious affairs, regardless of the existence of any common-law or statutory rule that might make improper the admission of the evidence over objection in civil actions.

RULE 10. Consideration by the Subcommittee

(A) In investigating an application for grant, the

Subcommittee may consider, among other things:

(C) The Subcommittee, in its sole and final discretion, may

require the exhaustion of some or all civil remedies before processing or approving applications for grant. The Subcommittee may require that an applicant prosecute or cooperate in appropriate civil proceedings against the accused lawyer as a prerequisite to approving a grant from the Fund. The Subcommittee may postpone consideration of any application until after any disciplinary action or court proceedings pending or contemplated have been completed.

RULE 12. Confidential Nature of Proceedings and Records

(A) The Subcommittee, during consideration of an application, may have access to any State Bar disciplinary files and records pertaining to the alleged loss. Any information or documents obtained by the Subcommittee from those files or records shall be used solely for the purpose of determining the validity of the application but otherwise shall constitute confidential information. (B) The files and records pertaining to all applications for grant from the Fund and all investigations or proceedings conducted in connection with them are the property of the State Bar and are confidential. RULE 17. Assignment of Applicant's Rights, Subrogation and Reimbursement Required

The State Bar shall have the right to recover the full amount paid to the applicant out of the Fund from any liable person, firm, or corporation and take such legal action as it deems necessary. The applicant may

only receive a part or portion of any recovery made by the State Bar after the State Bar has made a full recovery of the amount paid to the applicant by the Fund and attorneys' fees incurred by the State Bar in recovering the amount.

RULE 18. No Attorney's Fees Allowed

Except as provided in *Rule 17*, no attorney shall charge, attempt to collect, or collect any fee, retainer, or contingent fee for the preparation, filing, negotiation, recovery, or any other act done or which may be done in connection with an application for grant before the Client Security Fund of the State Bar, whether the application is denied or approved for grant.

RULE 19. Applicant's Failure to Claim Grant

PART IV. STATE BAR COMMITTEES

4.01 Standing State Bar Committees

4.01.01 General. Except as noted otherwise, Standing Committees are established by the Board upon recommendation of the incoming President, and will conduct themselves within the policies adopted by the Board, the provisions of the State Bar Act, and the State Bar Rules.

4.01.02 Appointment of Members.

(A) At the third quarterly Board meeting, the President-elect will submit to the Board for approval a list of Standing and Special Committees for the upcoming Organizational Year, a list of proposed chairs and, where pertinent, co-chairs or vice-chairs of such committees, and a roster of proposed members of such committees.

(B) At the fourth quarterly Board meeting, the President-elect will submit to the Board any proposed changes to the list of Standing and Special Committees, a list of chairs, co-chairs and vice-chairs of such committees, including any necessary changes or additions to the earlier submitted list, and a roster of members of such committees, including any necessary changes or additions to the earlier submitted list.

(C) At its first meeting of the new Organizational Year and/or its first quarterly meeting, the Board will approve any proposed changes to the list of Standing and Special Committees, the list of chairs, co-chairs and vice-chairs of such committees, and the roster of members of such committees.

(D) The President-elect will determine the number of regular members of the State Bar Standing Committees, except for Standing Committees created by the State Bar Act or State Bar Rules.

(E) The President-elect should appoint members to Standing Committees in a manner that the committee memberships are reflective of the composition of the State Bar membership.

(F) To be eligible to serve on a Standing Committee, a lawyer must be a licensed attorney in good standing and residing in the State of Texas.

(G) The President-elect may appoint non-lawyers to Standing Committees.

4.01.03 Advisory Members.

(A) In addition to regular Standing Committee members, the President-elect may appoint up to two advisory members of each committee as the President-elect deems advisable.

(B) Advisory members are entitled to attend committee meetings, serve on subcommittees, participate in discussion, and receive copies of notices and minutes of committee meetings, and all other communications sent to committee members.

(C) Advisory members are not eligible to vote (except upon special approval of the Board) but are eligible to receive reimbursement for expenses. Their attendance may not be included to determine any quorum.

(D) Advisory members serve until the annual meeting following their appointment. They may not be reappointed after serving three successive one-year terms until the expiration of at least a one-year period.

(E) Advisory members may, at any time and at the pleasure of the President, be appointed to regular committee status if that appointment does not cause the committee to exceed the maximum number of regular members as set in accordance with this Policy Manual.

(F) To be eligible to serve as an advisory member, a lawyer must be a licensed Texas attorney in good standing and residing in the State of Texas.

4.01.04 Term of Regular Members.

(C) In the original appointment of each new Standing Committee under this provision, the President will designate one-third of the members to serve until the adjournment of the first annual meeting following their appointment, another third to serve until the adjournment of the second annual meeting following their appointment, and the remaining third to serve until the adjournment of the third annual meeting following their appointment.

(D) No member of a Standing Committee will be appointed to serve more than two consecutive three-year terms or a total of six years on the same committee. Unless there are extenuating circumstances, a Standing Committee member who has served the total of six years on the same committee cannot be reappointed to another term on that committee until the expiration of at least a two-year period. Any term of service as an advisory member will not be counted against that period. Members of Standing Committees that publish pattern jury charges, or the *Texas Real Estate Forms Manual* will not be appointed to serve more than three consecutive three-year terms or a total of 9 years on the same committee. A member of a pattern jury charge committee or the Texas Real Estate Forms Manual Committee who has served the total of 9 years on the same committee cannot be reappointed to another term on the same committee until the expiration of at least a two-year period.

(E) Unless approved by the Board, no Board member may serve as a regular member of a standing or special committee.

Those appointed to fill the vacancy of a committee member shall serve the balance of the term of the position vacated.

4.04.01 Size of Committees. Committees shall have a minimum of nine (9) members and a maximum of twenty-seven (27) members. In most instances, a maximum of twenty-one (21) members is desirable.

4.04.02 Organizational Meeting. An organizational meeting will be held involving the full committee by October 1.

4.04.03 Financial Responsibility. Each chair and vice-chair shall have the responsibility of effecting committee business within the budget provided for that committee. Meetings of the full committee will be held to a minimum and will be held at a location chosen with the factors of convenience to the membership, travel, and expense in mind. They have the same rights, powers, and duties, including rights to vote and to reimbursement, if any, as other committee members of the same classification have.

4.04.08 Multiple Committee Memberships. 4.04.12 Quorum. Committee meetings will be held on the call of the chair. Each committee meeting must be scheduled through the Executive Director or the designee, who will be responsible for sending meeting notices to committee members, obtaining replies, indicating attendance, and informing the chair of anticipated attendance. Any meeting notice that results in affirmative responses from less than a quorum by three days before the meeting will be canceled after reasonable notice to the committee chair, and the Executive Director or the designee will immediately notify the committee members of the cancellation. Copies of all committee notices will be provided to the President and President-elect. One-third of the members of any standing or special committee constitutes a quorum for the transaction of business, unless the Board, by special resolution, provides otherwise.

4.04.13 Representation of State Bar. No Standing or Special Committee or member thereof may, expressly or by implication, purport to represent the State Bar or any committee before any legislative body, agency, court, or other tribunal unless authorized to do so by the Board or the policies or guidelines of the State Bar.

(B) *Reasonableness Standard.* For purposes of determining allowable expenses, a reasonableness standard will be applied, taking into account, location, and other circumstances; e.g., expenses are usually higher at a big city hotel. If anyone affected by this policy anticipates a

large or unusual expense, such person must notify the appropriate State Bar staff person at TexasBarCLE before incurring such an expense. Sometimes, there may be less expensive ways to meet the need. Discretionary expenses such as entertainment or bar drinks cannot be reimbursed.

(C) Speakers. Course registrations, written materials, and lunches organized by the State Bar shall be provided to all speakers at no cost.

(2) Complimentary Facilities. If the State Bar receives free facilities, rooms or other services from a hotel or restaurant in connection with the holding of a CLE event, those benefits shall be used directly to reduce other expenses of conducting the seminar. (3) Meals. Maximum \$40 meal allowance per day, subject to the reasonableness standard stated in section 7.03.08(A) and (B).

(4) Transportation. Speakers will be reimbursed transportation expenses at the applicable mileage reimbursement for travel in a privately owned vehicle, as provided in the travel provisions of the current General Appropriations Act, airline travel at coach rates, parking fees, taxi and airport bus charges, and if most economical, rental car. The use of taxis and airport buses is encouraged not only because they are less expensive but because it relieves the speaker of having to find the destination.

(5) Honoraria. It is the policy of the State Bar not to offer honoraria to speakers who are Texas attorneys. In

extraordinary circumstances, a nominal honorarium not exceeding \$1,500 may be offered to Texas attorneys, out-of-state attorneys, or other experts only if approved in advance by the Director of the Professional Development Division. Members of the planning committee for a seminar will be reimbursed for transportation, meals and lodging expenses reasonably incurred in attending the planning meeting.

(H) Variances and Waivers. Variances from these rules that will result in higher expenses must be requested in writing, signed by the requester and approved by the Executive Director subject to Board Professional Development (Education) Subcommittee review, with all approved variances reported to the Board Professional Development (Education) Subcommittee.

8.01.04 Consideration. No legislative proposal shall be considered by the State Bar unless:

(A) it has been recommended by the Board Legislative Policy Subcommittee or proposed by motion of a Director after review by the Board Legislative Committee; and

(b) a motion of a Director after consideration by the Board Legislative Policy Subcommittee in accordance with this policy.

(5) Consideration of any legislative proposal by the Board shall proceed in the following order:

(a) an affirmative vote of a majority of those present that the proposed legislative action is consistent with §8.01 of this policy; and

(b) if the vote concerning each of the findings required by §8.01 is affirmative, then a second vote will be taken to determine the specific legislative position to be adopted. A motion to support, oppose, or take a neutral position on the legislation shall require a majority vote of the Board members present.

The fact that any proposed legislation or legislative action is not considered by the Board or, if considered, did not receive the required majority vote shall not be considered "action" of the Board with respect to that proposed legislation or legislative action.

(B) The Board Legislative Policy Subcommittee, the Board, and the Executive Committee may allow any interested person to appear before them in support of or in opposition to any legislative proposal being considered, subject to reasonable limitations on available time.

If no comments supporting or objecting to a legislative proposal are received as provided herein from one or more sections, the Board Legislative Policy Subcommittee will enter a position of "no objection" concerning the proposal from those sections not responding.

(E) A legislative position, once adopted by the Board, shall remain the position of the State Bar for the duration of the legislative session unless the position is later modified in accordance with this policy.

(F) Legislative positions shall be stated to support, oppose, or take a neutral position on legislation. Failure to receive the necessary majority vote to support or remain neutral on the proposed legislation shall not be construed as adoption of a position to oppose that legislation. Reconsideration by the Board of a previous legislative position may be proposed by any Director or of the Executive Committee and required on a majority vote of those present at a meeting. Legislative positions may be altered, amended, or withdrawn by a majority vote of the Board present at a meeting.

(G) At the meeting of the Board during which any recommendations of the Board Legislative Policy Subcommittee will be considered, the chair of the Board Legislative Policy Subcommittee or a representative shall personally appear before the Board to present and explain the committee's recommendations. Directors who serve as Board advisors to sections recommending proposed legislation may also advise the Board about the merits and rationale of each proposal.

(H) The Board shall not include a legislative proposal on its agenda for consideration for inclusion in the State Bar's legislative program unless it appears that the proponent has complied satisfactorily with the applicable provisions of this policy, including having fully presented the proposal to the Board Legislative Policy Subcommittee and obtained a

recommendation from the committee.

(I) Any proponent whose legislative proposal is not recommended by the Board Legislative Policy Subcommittee for inclusion in the State Bar's legislative program and who wishes to appeal to the Board shall give written notice to the Executive Director within ten days after the date of the action. A representative of the proponent shall appear personally before the Board to present and explain the legislative proposal. Such an appeal shall not be allowed unless a full presentation has been made to the Board Legislative Policy Subcommittee.

8.01.07 Role of the Executive Committee.

(A) The Executive Committee, unless otherwise expressly directed by majority vote of the Board, shall take no legislative action unless the Executive Committee shall determine by majority vote of those voting at a meeting that:

(1) the proposed legislative action could not reasonably have been submitted for consideration by the Board Legislative Policy Subcommittee to the Board in accordance with this policy; or

(2) there has been a material change in circumstances concerning a legislative proposal or legislative action approved previously by the Board making it necessary that legislative action be taken by the State Bar; or

(3) prompt legislative action is necessary by the State Bar to address a pending legislative proposal.

(B) When considering proposed legislative action with respect to legislation previously acted on by the Board, the Executive Committee shall be subject to the following guidelines:

(1) The Executive Committee shall take no action inconsistent with a previous decision for legislative action made by the Board unless there has been a significant, material change in circumstances concerning the legislative action since the last meeting of the Board. The failure to receive the required majority vote of the Board shall be considered a rejection by the Board of the legislation.

(2) Action by the Executive Committee on legislative proposals shall proceed as follows:

(a) It must be affirmatively established by majority vote of those voting at a meeting that the legislation or legislative action being considered conforms to the criteria of §8.01 of this policy.

(b) If the vote concerning each of the findings required by §8.01 of this policy is affirmative, a second vote, by majority vote of those voting, will be taken to determine

the specific legislative position to be adopted.

(3) Any action of the Executive Committee to modify a legislative position adopted previously by the Board or with respect to any legislative action first initiated by the Executive Committee shall be reported to the Board at its next meeting for ratification.

(C) In the event a majority of the President, the President-Elect, the Chair, the chair of the Legislative Policy Subcommittee and the Executive Director determine that a legislative matter meeting the conditions described in Subsections 8.01.07(A)(1), (2) and (3) must be acted upon immediately, and that there is insufficient time to convene the Executive Committee to act pursuant to Subsection 8.01.07, they may convene as an Ad-hoc Emergency Legislative Response Committee to take such action as a majority deems necessary, subject to the guidelines and restrictions set forth in Subsection 8.01.07(B) above.

8.01.08 Executive Director to Administer Legislative Program.

(A) The Executive Director shall coordinate and administer the legislative programs and activities of the State Bar and shall, together with State Bar legal counsel, monitor the State Bar's legislative program as well as pending legislation that may have an impact on the State Bar.

(B) The Executive Director shall publish in the *Texas Bar Journal* or otherwise give to all members of the State Bar reasonable notice of the time, date, and place that legislative proposals will be considered by the Board Legislative Policy Subcommittee together with a reasonably itemized agenda, which shall include the caption for each such legislative proposal.

(C) The Executive Director shall distribute annually to the chair of each section of the State Bar a copy of this policy and the anticipated timetable that the Board Legislative Policy Subcommittee will follow.

(D) The Executive Director shall monitor the time frame in which the Bar's legislative program is to be developed and shall make recommendations concerning the legislative timetable to the Board. The Board shall consider and adopt, a legislative timetable for publication in the *Texas Bar Journal*. The Executive Director shall furnish a copy of the timetable to each Director, and to the chair of each section and committee.

(E) The Executive Director shall assist and advise all sections and other divisions of the State Bar and the Board in the development of the State Bar's legislative program.

(F) The Executive Director shall inform the chair of each section recommending proposed legislation of the action taken by the Board regarding that section's proposed

legislation.

(G) The Executive Director shall have a copy of each item of proposed legislation together with the explanatory material required by this policy, including a written legal opinion by State Bar legal counsel regarding the proposed legislation, prepared and forwarded to each member of the Board Legislative Policy Subcommittee not less than fourteen days before its next meeting, notice of which has been given in accordance with Subsection (B) of this Section.

(H) The Executive Director or designee shall assist the Board Legislative Policy Subcommittee in the submission of its written report or recommendations to the Board. A copy of the Board Legislative Policy Subcommittee's report shall be forwarded to each Director not less than ten days before the meeting at which the Board is to consider the Board Legislative Policy Subcommittee's report and appeals from Board Legislative Policy Subcommittee actions. The report shall contain a copy of each legislative proposal and a brief statement of and reasons for the Board Legislative Policy Subcommittee's recommendation.

8.01.09 Procedure for Proposing Legislation for Inclusion in Bar's Program.

(A) Sections are authorized to consider proposed legislation within the scope of their respective purposes and concerns and to make recommendations about it to the Board Legislative Policy Subcommittee. Proposed legislation shall be submitted in accordance with the legislative timetable established each year by the Board and published in the *Texas Bar Journal*.

(B) Committees of the State Bar are specifically not authorized to independently make recommendations to the Board Legislative Policy Subcommittee about proposed legislation. Committees are encouraged to make their recommendations through a section of the State Bar cognizant of the type of legislation recommended by the committee.

(C) If the proponent of a legislative proposal that was approved by the Board for inclusion in a previous legislative program but not enacted desires its inclusion again in the State Bar's legislative program, the proposal must again be submitted to the Board Legislative Policy Subcommittee in accordance with this policy.

(D) Legislative proposals and legislative action approved by the Board for inclusion as part of the legislative program shall be published in the *Texas Bar Journal* in accordance with the legislative timetable. Any legislative action that has not been published in the *Texas Bar Journal* shall be dropped from the legislative program, except emergency legislative action that could not have been reasonably anticipated in time to make its publication possible.

(E) Sections supporting legislative proposals for the Texas Legislature that are approved for inclusion in the legislative program of the State Bar shall submit a suggested list of legislative sponsors for each proposal. That list shall be submitted to the Executive Director or designee not less than sixty days before the Texas Legislature convenes in a regular session. The Executive Director shall, in cooperation with those sections, assist in finding legislative sponsors for each proposal for both houses of the Texas Legislature.

(F) Notwithstanding any of the foregoing, a legislative proposal may be dropped from the legislative program and not supported by the Bar if the Executive Director determines that any proposal for the Texas Legislature, even though previously approved by the Board for inclusion in the legislative program:

(1) as actually drafted, is not in compliance with this policy; or

(2) is not introduced in both houses of the Texas Legislature within the first sixty days of the legislative session.

The Executive Director shall certify to the Board each legislative proposal dropped from the legislative program as authorized herein, accompanied by a statement of the reasons therefore.

(G) No section of the State Bar shall support, endorse, or oppose any proposed legislative action except in accordance with the procedures set out in this policy.

(H) It shall be the responsibility of the section proposing legislation to comply with this policy. It shall be the responsibility of such sections to have a representative appear before the Texas Legislature to explain legislative proposals approved by the Board and to conduct such related activities and provide such additional information as may be required; however, no representative of the State Bar or any section thereof shall appear before the Legislature or any committee or member of the Legislature in the pursuit of any legislative action authorized by the Board without complying with all applicable laws of the State of Texas.

8.01.10 Assertion By Section of its Own Position.

No section of the State Bar may assert an independent position regarding legislative, judicial or executive action unless permission has been first obtained by a majority vote of the Board after compliance with the applicable sections of this policy. The other provisions of this policy requiring action by the Board Legislative Policy Subcommittee, the Executive Director, or the Board shall also be followed.

(A) Legislative Matters.

(1) During the legislative session, the Executive Committee by a majority vote may authorize a section to assert its own position, subject to the requirements of this policy.

(2) Sections shall be allowed to expend funds in their legislative efforts, but prompt and full disclosure of collection and expenditure of funds must be made to the Executive Committee.

(3) Any legislative action taken by a section pursuant to this provision shall be clearly identified as the legislative position of the section and not that of the State Bar. A legislative position statement of a section to a public, judicial, executive, or legislative body must, as a preamble, contain the following disclaimer in capital letters and underlined:

THIS POSITION IS BEING PRESENTED ONLY ON BEHALF OF THE () SECTION OF THE STATE BAR OF TEXAS. THIS POSITION SHOULD NOT BE CONSTRUED AS REPRESENTING THE POSITION OF THE BOARD OF DIRECTORS, THE EXECUTIVE COMMITTEE, OR THE GENERAL MEMBERSHIP OF THE STATE BAR. THE () SECTION, WHICH TAKES THIS POSITION, IS A VOLUNTARY SECTION OF () MEMBERS COMPOSED OF LAWYERS PRACTICING IN A SPECIFIED AREA OF LAW.

THIS POSITION IS TAKEN AS A RESULT OF A VOTE OF () TO () OF THE COUNCIL OF THE () SECTION, WHICH IS THE GOVERNING BODY OF THAT SECTION. NO APPROVAL OR DISAPPROVAL OF THE GENERAL MEMBERSHIP OF THIS SECTION HAS BEEN OBTAINED.

This disclaimer shall be filed before the presentation of testimony with the chair of the committee or subcommittee before which testimony is to be presented. Additionally, the disclaimer must be read at the beginning of any oral testimony before a committee or subcommittee.

If the general membership of the section has approved the section's position, paragraph 2 of the disclaimer may be omitted.

(4) No section, division, or other entity of the State Bar may adopt a legislative position as its own before a public, judicial, executive, or legislative body unless that position was adopted in the following manner:

(a) A section legislative position must be developed in accordance with the bylaws of the section. The bylaws of a section must require that a legislative position be adopted by a majority of a quorum of the council of the section and that the council shall have been elected by a majority of the members voting after written notice of

the nominees for election to the council was sent to the entire membership of the section not less than thirty days before the date set for the election. Floor nominations may also be permitted at a section's annual meeting without the thirty-day notice to the entire section membership.

(b) Notice of the proposed legislative position of a section must be circulated as provided below.

(c) If no objection is raised to a proposed section legislative position, the position shall be cleared by the Executive Director and shall then be presented to the Board or Executive Committee.

(d) Generally, it is perceived that a legislative position of a section is given greater weight when it has been adopted as the position of the State Bar. Consideration should first be given to the traditional methods for approval and presentation of a legislative position of a section. There are several situations, however, in which it might be more appropriate for a section to state its own legislative position. Examples include the following situations:

(i) **Technicality** - A section may more appropriately present a legislative position when the subject matter is so technical or so clearly within the special expertise of a section that review by the Board or Executive Committee would be merely pro forma and other entities of the State Bar would have little interest or concern.

(ii) **Supplemental Views** - When the Board has acted generally on a matter, a section may wish to supplement the legislative position to update it or to accommodate changing circumstances. The supplemental legislative proposal shall be consistent with the previously adopted position of the Board.

(B) Approval Procedure.

(1) In order to present its own views, a section must send the completed application form and the notice form to the President of the State Bar, the Chair, the president of the TYLA, the Executive Director, and the chairs of all sections and committees of the State Bar.

(2) The Executive Director shall coordinate review of section requests and shall notify the Board or the Executive Committee as appropriate. All questions regarding the status of requests should be directed to the Executive Director.

(3) Objections to proposed requests must be directed to the Executive Director before the deadline date set forth in the application form. If no objections are received by the deadline, the legislative proposal shall be presented

to the Board at its next meeting, unless time is of the essence or the Legislature is in session, in which case it shall be presented to the Executive Committee.

(a) Any member, including the *ex officio* members, of the Executive Committee, may raise objection to a section's legislative action request if the member is of the opinion that the proposed legislation:

(i) conflicts with an existing policy of the State Bar;

(ii) is not within the primary or special expertise, purpose, or concerns of the section;

(iii) is of such a general interest to the membership of the State Bar or the legal profession or the public in general that the presentation should be made only by the State Bar; or

(iv) does not comply with this policy.

(b) A chair on behalf of a section of the State Bar or a member of the State Bar may raise objection to a legislative action proposed by a section within the required time by communicating the objection by telephone to the Executive Director and to the chair of the proposing section. The objection shall be confirmed in writing to the Executive Director and the chair of the proposing section within five days, or the objection shall be waived.

(c) When a section or member raises an objection to a proposed legislative position of a section, the Executive Director shall immediately advise the chair of the proposing section who shall promptly undertake to determine whether the objection can be resolved. If the objection cannot be resolved, the chair of the proposing section without delay shall advise the Executive Director, who shall then present the legislative proposal together with the objections to the Board or to the Executive Committee, as may be appropriate, before the proposed presentation date set forth in the request. The Board or the Executive Committee shall promptly consider and grant or deny the request. The party adversely affected by a ruling of the Executive Committee may appeal in writing within ten days to the Board, which shall forthwith consider and grant or deny the appeal. The vote of the Board on the appeal may be by mailed ballot. The Executive Director will coordinate all appeals, will notify the persons or entities involved by telephone, and will confirm in writing, either by letter or by telegraph, all objections to the legislative action request, so that all interested parties may have an opportunity to be heard.

(C) Sections As Resources.

(1) A section may provide background information or act

as a resource witness for any legislative, executive, or judicial body ("governmental body") or individual member thereof. In order to be authorized to act in any such capacity (as a "resource entity"), the section must be requested to participate by the governmental body or one of its members. A section may not directly or indirectly solicit appointment as a resource entity. If a section serves as a resource entity for any governmental body or individual on any proposal, it may take no affirmative action to support or oppose the proposal (unless authorized by other provisions of this policy) other than to provide advice and counsel to the body or individual requesting its services. Within ten business days after first being designated as a resource entity by any governmental body or individual, a section shall inform the Executive Director in writing of:

- (a) the name of the governmental body or individual requesting the section to serve as a resource entity;
- (b) the matter about which the section is serving as a resource entity (including, if applicable, a copy of the specific legislation or proposal); and
- (c) the advice given by the section as a resource entity.

(2) The section shall update in writing the information specified above on or before the tenth business day after the initial report to the Executive Director and before the expiration of each ten business days thereafter until the section ceases to serve as a resource entity. The section shall, within twenty business days after ceasing to be a resource entity for a governmental body or individual, file a final written report with the Executive Director clearly explaining all advice given by the section as a resource entity for that body or individual. The Executive Director may, at any time, instruct any section either not to act as a resource entity or not to render specific advice if in the opinion of the Executive Director (or in the opinion of the Board or Executive Committee) the advice given:

- (a) is contrary to the best interests of the State Bar;
 - (b) conflicts with an existing policy of the State Bar;
 - (c) is not within the primary or special expertise, purpose, or concern of the section; or
 - (d) does not comply with this policy.
- (3) Any advice given by a section as a resource entity shall be accompanied by the disclaimer contained in this Subsection.

8.01.11 Section Tracking of Legislation. Nothing in this policy shall be construed to prevent a section from tracking specific legislation through the Legislature and informing its membership about any aspect of pending legislation. A

section or any of its members may, without complying with any of the provisions of this policy, advocate any position with respect to any legislative proposal to the membership of the section or any of its council members.

8.01.12 Members May Present Individual Views. Nothing herein shall preclude individual members of the State Bar from presenting their individual, personal views on any legislative proposal.

8.01.13 Procedure For Special Legislative Sessions.

The legislative program, if any, of the State Bar, to be presented to any special session of the Texas Legislature shall be adopted under the same procedures as set forth herein, modified only as reasonably required, and with a legislative timetable adopted by the Board by majority vote for each special session.

8.01.14 Suspension of this Policy. Any policy provided for herein may be suspended by the Board by a vote of a majority of the Directors present and voting.

The Executive Director shall deliver the request to the Ad Hoc Submission Committee and to the members of the Subcommittee within 3 business days following receipt.

(2) If a request is received by the Executive Director less than 30 business days prior to the next regular meeting of the Board, a majority of the Ad Hoc Submission Committee may, in its discretion, waive the 30 business day requirement and establish a revised procedural timeline, provided:

(a) such majority determines that it was not reasonably possible for the request to have been received by the Executive Director no later than 30 business days prior to the next meeting of the Board, and

(b) such majority determines that sufficient time remains for the request to proceed for consideration pursuant to this section.

(3) The Ad Hoc Submission Committee or the Subcommittee may direct the Executive Director to distribute the request to such State Bar sections as it deems prudent. If a request is distributed to any or all State Bar sections, the sections must be advised that any objections to the request are to be received by the Executive Director by a specific date and time set by the Ad Hoc Submission Committee or the Subcommittee, who may then submit a response to the objection to the Executive Director. 8.02.05 Section Statement.

(A) Any action taken by a section pursuant to this provision will be clearly identified as the position of the section and not that of the State Bar. A position statement of the section must provide the following disclaimer in capital letters at a conspicuous location within the document.

THIS AMICUS BRIEF IS BEING PRESENTED ONLY ON BEHALF OF THE (____) SECTION OF THE STATE BAR. THE SECTION'S POSITION SHOULD NOT BE CONSTRUED AS REPRESENTING THE POSITION OF THE BOARD OF DIRECTORS, THE EXECUTIVE COMMITTEE, OR THE GENERAL MEMBERSHIP OF THE STATE BAR. THE (____) SECTION IS A VOLUNTARY SECTION OF (____) MEMBERS COMPOSED OF LAWYERS PRACTICING IN A

SPECIFIED AREA OF LAW.

THIS AMICUS BRIEF IS SUBMITTED AS A RESULT OF A VOTE OF (___) TO (___) OF THE COUNCIL OF THE (____) SECTION, WHICH IS THE GOVERNING BODY OF THE SECTION. NO APPROVAL OR DISAPPROVAL OF THE GENERAL MEMBERSHIP OF THE SECTION HAS BEEN OBTAINED.

This disclaimer should state the appropriate votes recorded. For a position statement other than an amicus brief, the disclaimer should use an appropriate term in place of “amicus brief.”

(B) If the general membership of the section has approved the section’s position, paragraph 2 of the disclaimer may be omitted.

8.02.06 Other Requests. From time to time, the State Bar or a State Bar section may be requested to express support or opposition to any position, action or resolution taken or proposed to be taken by any entity outside of the State Bar. In that event, such request will be treated in a similar manner as a request for approval to file an amicus brief, and will be subject to the requirements, restrictions and procedures established in this §8.02.

9.03.01 General. To more fully comply with §552.230 of the Public Information Act, Texas Government Code, Title 5, Subtitle A, Chapter 552, the Board may adopt and maintain policies and procedures governing compliance with public information requests and appropriate charges.

9.03.02 Internal Policy for Public Information Requests.

(A) Introduction. In order to more fully comply with §552.230 of the Public Information Act (formerly the Open Records Act) (Texas Government Code, Title 5, Subtitle A, Chapter 552), hereafter termed the PIA, which states that "A governmental body may promulgate reasonable rules of procedure by which public information may be inspected efficiently, safely, and without delay," the State Bar of Texas has developed the following internal policy for fulfilling public information requests.

(B) Definitions of Terms in the Public Information Act.

(1) Officer for public information. The Executive Director shall be the officer for public information [§552.201(A), PIA].

(2) Agent for officer of public information. Each department head shall be an agent for the officer for public information [§552.202, PIA].

(3) Public information.

(a) Information is public information if, under a law or ordinance or in connection with the transaction of official business, it is collected, assembled, or maintained:

(i) by a governmental body; or

(ii) for a governmental body and the governmental body owns the information or has a right of access to it.

(4) Availability. Public information is available to the public during normal business hours of the governmental body. [§552.021, PIA]

(C) Procedures for Handling Public Information Requests.

(1) Records which are clearly public information and are routinely requested by the public and attorneys on a daily, weekly or monthly basis, or which are provided routinely on a yearly basis, such as annual reports, and which are currently handled over the telephone or through the mail without requiring a written request from the inquirer, may

continue to be handled in this manner in order to provide the information to the inquirer with as little delay as possible.

Some examples of this type of information are: date of licensing and record of disciplinary actions taken against State Bar members, articles and biographical information from the *Texas Bar Journal*, some survey information, pamphlets and informational brochures on public services offered by the agency, information on courses and institutes offered by the State Bar's TexasBarCLE, press releases, information on legislative policies of the agency, information on the agency's legislative programs, and financial records.

All requests for records and information that are not provided on a routine basis should be submitted in writing and should be forwarded immediately to the Executive Director. An employee receiving a telephone request should instruct the caller to put the request in writing and send it to the State Bar, to the attention of the Executive Director. NEITHER THE EXECUTIVE DIRECTOR NOR ANY EMPLOYEE SHALL MAKE ANY INQUIRY OF ANY PERSON WHO APPLIES TO EXAMINE OR COPY PUBLIC INFORMATION BEYOND ESTABLISHING PROPER IDENTIFICATION AND WHICH RECORDS ARE BEING REQUESTED [§552.222, PIA].

(2) Upon receipt of a request to examine records or information that is not routinely provided, the Executive Director shall determine within five calendar days if the records being requested are included in the above definition of public information. If the records are deemed to be public information, the Executive Director shall forward the approved request to the appropriate department head.

(3) Upon receipt of the approved request the department head shall make the records available to the requestor for inspection or duplication within five calendar days from the time that the department head received the approved request. If the requested records are in active use at the time that the requestor asks to examine them, and will not be available within five calendar days from the time that the department head receives the approved request, then the Executive Director shall certify this fact in writing to the requestor and set a date and hour within a reasonable time when the records will be available for examination by the requestor [§552.221, PIA]. The Executive Director, or the department head shall give, grant and extend to the requestor all reasonable comfort and facility for the full exercise of the right granted by the PIA [§552.224, PIA].

(4) If the Executive Director receives a request which is considered to be within one of the exceptions under Subchapter C, but there has been no previous determination that it falls within one of the exceptions, the Executive Director must request within ten calendar days

of receiving the request a decision from the attorney general to determine whether that information is within one of the exceptions. If a decision is not so requested, the information shall be presumed to be public information [§§552.301 and 552.302, PIA].

(5) The Executive Director or the department head shall provide the requestor with a copy of Subchapters A and B of the Public Information Act so that the requestor will be fully aware of his rights and of the rules concerning access to public information.

(D) Other Statutory Responsibilities.

(1) Nothing in the Public Information Act shall authorize any person to remove original copies of public information from the offices of any governmental body [§552.226, PIA].

(2) The Executive Director or the department head shall treat each request for information uniformly without regard to the position or occupation of the person making the request or the person on whose behalf the request is made or because the individual is a member of the media [§552.223, PIA].

(3) Information deemed confidential under §552.101 (PIA) shall not be distributed [§552.352, PIA]. However the officer for public information may in any instance within the officer's discretion make public information protected under the exceptions contained within the PIA that is not deemed confidential by law [§552.007, PIA].

(4) It shall be the duty of the officer for public information, subject to penalties provided in the PIA, to see that public information is made available for public inspection and copying; that the information is carefully protected from deterioration, alteration, mutilation, loss, or unlawful removal; and that public information is repaired, renovated, or rebound when necessary to maintain them properly [§552.203, PIA].

(E) Charges for Copying Public Information. Guidelines for charges for copying public information consisting of standard size pages (up to and including legal size) are contained in 1 TAC §§111.61-111.63. The State Purchasing and General Services Commission acts as a consultant to governmental bodies to assist them in setting charges for nonstandard size pages or records in computer banks, on microfilm, or other similar record keeping systems. It is the responsibility of the Executive Director to initiate consultation with this commission and to supply adequate cost data relative to the records request. This consultation request must be submitted in writing to the attention of the Material Management Section of the Central Services Division of the Commission. [1 TAC §111.63]

(F) Charges for Labels and Mailing Lists: Under the Public

Information Act, the State Bar must provide a list of its membership to anyone who requests it. A reasonable fee as determined by applicable statutes and rules will be charged for providing the list. Mailing labels containing the names of each member of the State Bar shall be made available for a reasonable fee.

(1) The Board has determined that the cost of purchasing labels/lists includes the cost of materials plus the cost of central processing unit (CPU) time plus postage and sales tax. Prices are subject to change depending on vendors charge in cost of materials to us.

(2) The amount of such fees may be different depending on category of user.
