Am going to call you right away but i just want you to know some few things about this case and what i want you to do for me.

1) i worked with \_\_\_\_\_ as a pharmacist for 5 years in the office located in \_\_\_\_\_ Houston, TX \_\_\_\_\_

2) i negotiated the settlement all by myself am sure that is why the are not taking me seriously and this is where i need your help in getting my money from them, because i believe when they find out am retaining a lawyer that might get their attention and sort me out.

3) They haven't said they are not paying me but they just have not paid me and am not happy about that, i need my money i have been living out of my savings and i need money to setup my new place of work.

I have some couples of email conversation i have with the company i printed them out just in case i need it for evident am going to send them to you too.

And also give me a direct number i can call you with just in any case you have any questions to ask me, but i believe i have said it all thanks.
