TEXAS YOUNG LAWYERS ASSOCIATION

Diversity Scholarship Program 2020–2021

TYLA Organizational History & Committee Overview

The Texas Young Lawyers Association (TYLA) began over 80 years ago as the Texas Junior Bar association. Growing from an initial membership of 200 lawyers, the organization now boasts over 27,000 members. Each attorney licensed in Texas who is age 36 or younger as of June 1, or who is within his or her initial 60-month licensing period before June 1, is a regular member of TYLA. No application or separate dues are required.

TYLA has special committees that promote projects and programs aimed at either assisting lawyers in their profession or serving the public. Each committee's specific goals are accomplished through the work of its volunteer Board members. To further TYLA's commitment to the future of the profession, it also serves and helps law students throughout the state.

TYLA's Commitment to Diversity

TYLA has a steadfast commitment to diversity and inclusion in the legal profession. To that end, TYLA's objectives and goals for diversity are:

- to facilitate and encourage minorities to enter the legal profession;
- to promote increased participation by diverse lawyers in the activities, programs, and projects of the Texas Young Lawyers Association and the State Bar of Texas, and
- to encourage all members of the Texas Young Lawyers Association and the State Bar of Texas to acknowledge the importance of diversity, to promote greater inclusion of diverse members of the profession, and to facilitate greater access to programs, services, and employment opportunities for diverse members of the profession.

The TYLA Diversity Scholarship Program is one of the many TYLA-sponsored projects designed to meet these objectives each year. A committee of TYLA Directors will review all applications and select the scholarship recipients based on the criteria described below.

TYLA recognizes diversity based upon gender, national origin, race, color, ethnicity, sexual orientation, gender identity, disability, age, veteran status, socioeconomic status and geography.

Scholarship Criteria and Eligibility

TYLA intends to award three scholarships (first place: \$5,000; second place: \$3,000; and third place: \$1,500) to one or more law students from the ABA-accredited law schools or ABA-provisionally approved law schools in Texas. The recipient must be attending one of these Texas law schools.

In awarding the scholarships, TYLA will consider the applicant's resume, response to the attached three essay questions, letter(s) of recommendation, demonstrated commitment to diversity, academic performance, and financial need.

These applications will be graded as follows:

- 1) **Essay Question Response:** 20 points each (for a total of 60 points)
- 2) **Degree of Financial Need:** 30 points
- 3) **Letter of Recommendation and Resume:** 10 points

An application may be downloaded from the TYLA website (www.tyla.org). Applications may also be obtained at the law school financial aid office or by contacting either of the addresses or phone numbers listed below:
