Subject: District Director Petition

Bob,

This message is to confirm our phone conversation this morning.

I indicated you have until 5 pm today (March 2) to submit the one remaining signature required on your director petition. You may send that to chielsey.barber@texasbar.com

I also notified you that your petition is ineligible for certification because of your partially-probated suspension dated July 1, 2017, through December 31, 2017. If you wish to appeal this decision please reply and indicate that you wish to appeal. The appeal would be considered by the State Bar Board Executive Committee on March 2, and you would have an opportunity to make a presentation.

Thanks and best regards,

Trey Apffel
