Along with the Local Bar Services Committee, our department has the express purpose of facilitating communication between State Bar leadership and local bar leaders to assist in the development and enhancement of their associations.

Our department also initiates programs that further the legal profession's involvement in local communities. Our goal is to improve the legal profession's standing with the public at large through these efforts.

We establish and maintain close relationships with local bar associations with the following elements:

Local Bar Leaders Conference

Law Day

Stars of Texas Bars Awards

Texas Lawyers for Texas Veterans

Additional Local Bar Services:

• Attorney Contact Information:

The State Bar of Texas Local Bar Services Department can provide attorney lists that include business contact information. However, attorneys' email addresses, home addresses, home phone numbers, and dates of birth maintained in the State Bar of Texas database cannot be disclosed. It is also important to note that attorneys may elect to be excluded from third-party contact lists.

Local bars may request lists based on the counties they serve and may further specialize it based on the demographic they seek to reach (i.e. year licensed, law school, etc.). The lists will take 3-7 days to process. Lists can be emailed in an Excel attachment or peel-off labels can be mailed.

• Member Recruitment Email:

The State Bar of Texas Local Bar Services Department will send one membership recruitment email per calendar year on a local bar's behalf to a targeted group of individuals. The email must be used to advertise local bar association membership. Local bar events may be listed as member benefits, but this email may not be used to promote or market a specific event.

To schedule this email, please provide the following:

- Subject Line
- Draft email
- Specified target audience
- Bar card numbers for existing members if you choose to exclude them from the email
- Image for the email banner
(Width must be 650 pixels or less.)
- Email address for replies

This info will be drafted in our email platform and the association will receive a draft to approve. The drafting process can take up to three to seven business days.

• Speaker Coordination

The State Bar of Texas Local Bar Services Department can assist with State Bar speaker coordination. Please contact the department as far in advance as possible to schedule speakers; however, last-minute needs can sometimes be accommodated.

Speaker ideas include:

Trey Apffel, Executive Director
President
President-elect
Immediate Past President
Board of Directors
Office of the Chief Disciplinary Counsel
Government Relations and Legislative Updates
Advertising Review Department
Texas Access to Justice Commission
Texas Lawyers' Assistance Program

For ethics speakers, visit the State Bar of Texas Professionalism Committee's Need Ethics? A Directory of Speakers online database at texasbar.com/ethicsspeakers.

For a low-cost, custom-designed CLE course, contact Flash CLE at (800) 204-2222 x 1575.
