

LeadershipSBOT

2022-2023 SPONSORSHIPS

texasbar.com/leadershipsbot

Created in 2008, LeadershipSBOT is designed to increase diverse leadership participation within the legal community through the nomination of lawyers who possess both the desire and the potential to assume leadership roles in their communities and the State Bar of Texas. Central to the program's mission is ensuring that participant demographics represent the diversity of the State of Texas — culturally, ethnically, geographically, and in practice area.

LeadershipSBOT participants will examine what is expected of leaders and, with the advice and guidance of current leaders, discover how to best engage in public involvement to be effective in the profession and in the community. The yearlong program consists of two training sessions and concludes with the presentation of group projects during the State Bar Annual Meeting.

Show your support for LeadershipSBOT by sponsoring this year's program. Sponsors receive valuable exposure and can highlight firm/company info to this exceptional group of future leaders in the legal profession.
