The elections for State Bar of Texas and Texas Young Lawyers Association presidents-elect and district directors run from April 1 to May 29, 2020. NOTE: Because of uncertainty regarding the ability of the State Bar’s election vendor to receive and process paper ballots during the COVID-19 pandemic, no paper ballots will be distributed for the 2020 State Bar of Texas and Texas Young Lawyers Association elections. Voting will be online only, and the deadline to cast online ballots is extended from April 30 to May 29. The voting process is as follows:

1. On April 1, attorneys eligible to vote will be mailed an election packet* that includes candidate brochures and instructions on how to cast their vote online. An email also will be sent to attorneys giving them instructions on how to vote online. Be sure to check your spam filter. Election emails are sent from the State Bar’s election provider, Election Services Corporation, and will be sent from statebaroftexas@electionservicescorp.com.

2. The election packet* and email will contain a voter authorization number (VAN) with instructions on how to vote online. Attorneys may use this VAN and their bar card number to log on to the election website to cast their ballot. If attorneys do not have their VAN, they can also go to the State Bar website, texasbar.com, to cast their vote.

3. Attorneys may vote online only from April 1 to May 29. The deadline to cast ballots is 5 p.m. CDT May 29, 2020.

* Disruptions related to the coronavirus pandemic may limit the State Bar’s ability to mail election packets to members. Go to texasbar.com/coronavirus for the latest information.

THE DEADLINE TO CAST BALLOTS IS 5 P.M. CDT MAY 29, 2020.
